

## CHAIRMAN'S STATEMENT

CinemaONE (“the Company”) initiated Q2 with the continued success of Disney’s *Star Wars: the Rise of Skywalker* and the surprisingly long run of Sony / Columbia Pictures’ *Bad Boy For Life*. However, the increasing public health concerns surrounding the rapid emergence of the Covid-19 virus into a global pandemic adversely affected CinemaONE’s performance in the last month of the quarter.

Major studio announcements delaying Universal’s James Bond thriller *No Time to Die* and Disney’s *Mulan*, which had a March release date, set the stage for the Government of Trinidad and Tobago’s Public Health Order which compelled the temporary closure of CinemaONE’s theatre facilities on March 17<sup>th</sup> in the interest of public safety.

Despite the truncated quarter, CinemaONE achieved revenue of \$6.0M for the Fiscal 2020 six (6) month period (2019: \$8.1M) representing a 26% decline over the previous year’s YTD Q2 performance. This Covid-19 revenue impact of delayed movie release dates and temporary theatre closure carried into Operating Profit which decreased by 22% to \$.87M (2019: \$1.1M) and resulted in Pretax Profit of \$.2M (2019: \$.5M). From a financial position perspective, the Company’s cash balance of \$8.0M (2019: \$2.8M) provides more than adequate liquidity until the reopening of CinemaONE’s theatre operations.

As the Covid-19 health crisis has engendered a global economic crisis, CinemaONE has strategically adapted in order to: (1) ensure the continued strength of the Company’s financial position and liquidity through greatly reduced operational expenses, key vendor negotiation and capital expenditure phasing, (2) remain deeply engaged with international cinema industry best practices, local health requirements and general plans to safely re-open, (3) probe and action enhancements to the customer experience.

I would like to commend all CinemaONE employees for their dedication and continued optimism amidst uncertainty. Historically, the cinema exhibition industry has been recession-resilient and CinemaONE believes the industry will rebound and benefit from pent-up demand as home sheltering subsides and people seek communal experiences and escapism.

### NOTES TO THE CONDENSED FINANCIAL STATEMENTS FOR THE SIX (6) MONTH PERIOD ENDED MARCH 31, 2020

The accompanying notes are an integral part to these financial statements.

**1) Basis of Accounting**

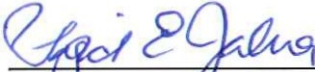

These condensed financial statements have been prepared by Management in accordance with International Financial Reporting Standards.

**2) Significant Accounting Policies**

The principle accounting policies adopted in the preparation of these financial statements are consistent with those used in the audited financial statements as at September 30, 2019.

**3) IFRS 16**

CinemaONE has adopted IFRS 16 in Fiscal 2020 using the retrospective approach on transition, recognising leases at the carried forward value had the leases been treated as such from inception, without restatement of comparative figures. On adoption of IFRS 16, CinemaONE recognised right-of-use assets and lease liabilities in relation to its cinema venues. These had previously been classified as operating leases. The difference between the right-of-use assets and lease liabilities on transition is an adjustment to retained earnings.
