

CHAIRMAN'S STATEMENT - FOR THE 6 MONTH PERIOD ENDED MARCH 31, 2021

CinemaONE continued its Covid-19 rebound in Q2 despite the prevalence of ongoing Government restrictions in the interest of public safety. While the Company enjoyed its first full quarter of operations since the onset of the pandemic, it was still hampered by pandemic measures such as a 50% seating capacity restriction and mandated closure at 10pm. However, in Q2 the global acceleration of vaccine rollouts, coupled with the reopening of major cinema markets, particularly in New York and Los Angeles, triggered Hollywood's international releases of more compelling, albeit limited, movie content. Notable movie releases in the Q2 period included Warner Brothers' *Tom and Jerry* and *Godzilla vs. King Kong* and Disney's *Raya and the Last Dragon*, the first Disney theatrical release since the onset of the Covid-19 pandemic. *Godzilla vs. King Kong* achieved global blockbuster status, having generated total box office revenues of over US \$400M at the close of April 2021.

In Q2 moviegoers demonstrated the continued appeal of a true big screen cinematic experience. As such, CinemaONE was able to narrow the YTD Net Revenue variance versus Prior Year from (83%) in Q1 to (71%) in Q2, which includes the distortion of the Covid-19 closure periods in October and November 2020. A more meaningful comparison of Three Months only for Q2 demonstrates a Net Revenue and Gross Profit variance reduction versus Prior Year to (53%) and (47%) which are respectively more aligned with the Covid-19 social distancing constraint of 50% capacity.

	Three Months Ended March 2021 (Unaudited)	Three Months Ended March 2020 (Unaudited)	Variance %
Net Revenue	TT\$ 1,075,715	TT\$ 2,270,151	-53%
Gross Profit	TT\$ 785,525	TT\$ 1,480,918	-47%

Overall, for the period ended March 31, 2021, Net Revenue was TT\$ 1.7M (2020: TT\$ 5.9M), Gross Profit was TT\$ 1.3M (2020: TT\$ 3.9M) and Net (Loss)/Profit was TT\$ (1.9M) (2020: TT\$.2M). CinemaONE did achieve a significant recovery milestone of positive EBITDA for the YTD period, amidst continued Covid-19 restrictions, of TT\$.3M (2020 TT\$ 2.7M).

While the social and economic effects of the Covid-19 pandemic are widespread, and continue to adversely impact the entertainment industry, CinemaONE has maintained its focus on operational cost reductions and liquidity management. As such, the Company is still positioned to withstand extended government restrictions in the interest of public safety so as to successfully capitalize on the increasing number of blockbuster movies recently committed for release in June 2021 with Universal's *Fast and Furious 9* and in July 2021 with Disney / Marvel's *Black Widow*.
